

ISLAND FEDERAL CREDIT UNION SUMMER CONCERT SERIES AT THE NEWLY NAMED BMHMC AMPHITHEATER IN FARMINGVILLE ANNOUNCES THE 2018 SEASON

RONKONKOMA, NY FOR IMMEDIATE RELEASE

Ah, springtime in Long Island. Maybe there's still a chill in the air, but Island Federal Credit Union Summer Concert Series is rolling on at **the newly named BMHMC Amphitheater at Bald Hill**, formally the Pennysaver Amphitheater.

There's no place that transitions from winter to summer quite as much as the Amphitheater at Bald Hill. It goes from a snowy hill to a summer concert paradise in a matter of a few months. With the announcement of the **Island Federal Credit Union Summer Concert Series lineup, the announcement of a partnership with Live Nation and a new name, that change feels closer than ever.**

Long Island Events is proud to have **Island Federal Credit Union** back as a concert series sponsor.

"Island Federal Credit Union has been a partner with us at the Amphitheatre since we started and I along with the entire JVC team are thrilled that they are back for 2018 and supporting this great lineup," said John Caracciolo, President and CEO of JVC Broadcasting. **"Partners like Island Federal Credit Union give us the ability to expand the level of entertainment, help keep costs down and gives us the ability to create a family friendly venue that all can enjoy. With the help of Island Federal Credit Union, for example, we are able to present a free 4th of July fireworks show and concert for the community. A partnership like this is so beneficial to the community and we can't wait to get this party started."**

"For most Long Islanders, there are few things more enjoyable than listening to live music under the stars on a beautiful summer night. That's why, for the fifth consecutive year, Island is very proud to be partnering with JVC Broadcasting to present the Island Federal Credit Union Summer Concert Series at the BMHMC Amphitheater in Farmingville," said Bret W. Sears, President and CEO of Island Federal Credit Union. **"Our 5th year promises to be the best yet, with music for everyone and every**

musical taste. This concert series and venue is truly one of the things that make Long Island such a great place to be in the summer. We look forward to seeing you there!"
